Care Management

Kalyra ensures you have easy access and quick response to your requests. The relationship between the Coordinator & you, and the staff working in your home is pivotal to successfully staying independently at home assisting with your personal routines and achieving your goals.

Your Coordinator will discuss with you changes in your needs, monitor your situation to the extent required or requested and will perform annual and 'triggered' reviews. Hours of Coordinator use will fluctuate as per your needs.

Your Coordinator is your central point of access to all care, with 2 options of involvement:

- 1) Fully managed by Kalyra
- 2) Self-managed with some care management provided by Kalyra for annual reviews and support plan changes. Other care management is charged at an hourly rate.

Care Management					
Management options		Level 1	Level 2	Level 3	Level 4
Fully managed by Kalyra	Cost	\$61	\$107	\$225	\$350
	Hours per fortnight	1	2	4	6
Self-managed by you	Cost	NA	\$40	\$85	\$130
	Hours per fortnight	NA	1	1	2

When you have used all your care management hours, you may purchase additional hours through your package, as required. Care Management includes organising services, responding to preferences and safety risks, liaising with you and your support network as you request. Please note: care management hours are not accumulative. Before any additional hours are charged, this will be discussed with you and an estimated amount will be provided.
