Care Management

Your Coordinator provides Care Management and is your central point of access to services. The relationship between you and your Coordinator, and the staff working in your home, is pivotal to successfully staying independent at home.

Included in the allocated care management hours:

- Setting up and commencing your services including goal and support plan development
- Coordinating and scheduling staff
- Annual reviews and liaising with you and your representatives
- Identify and addressing risks to your safety
- Aligning care and services with other supports
