Kalyra McLaren Vale Aged Care

Overview of the Service

A modern 39-bed facility in delightful McLaren Vale, offering a tranquil environment with aging in place, in perfect harmony with its surroundings. The outdoor pergola areas, plus the large landscaped central courtyard and panoramic views of the district provide an idyllic setting.

Kalyra McLaren Vale sustains the letter and spirit of the Trust's Mission - providing and facilitating humanitarian services which improve the quality of life of those in need. Each of the 39 large and spacious rooms are provided with their own private ensuite bathroom.

All rooms are designed to maximize the use of natural light and have large picture windows with garden views. Two large spacious dining rooms are complemented by a purpose-designed spacious activities room which leads through french doors to the large internal garden courtyard.

A dedicated memory support unit provides specifically tailored programs with the security of knowing the environment is safe and secure.

You are encouraged to integrate within the community at every opportunity, and this is made possible by two volunteer funded Kalyra buses and the initiatives of the Lifestyle Therapists. Care is taken to afford your personal freedom and privacy combined with the delivery of care which is based on a holistic approach from an interdisciplinary team.
